THIS IS UNEVALUATED INFORMATION

25X1

1. On 30 June 1954, the investment plan of the Main Administration for Telecommunications of the Post and Telecommunications Ministry¹ was fulfilled about 27 percent. The budgetary allocations made available to the individual regional postal headquarters were subject to several revisions.²
2. The 1955 development plan of Department M, which is in charge of power supply installations, was submitted to the Main Administration for Telecommunications in mid-June 1954. The costs for new development projects were estimated to be 150,000 eastmarks.
3. In an office memorandum, dated 3 June 1954, the Minister of Post and Telecommunications announced that effective immediately the drafts of decrees, communications and reports would no longer have to be submitted to the Soviet High Commission.
4. In negotiations conducted between the Main Administration for Telecommunications and the Ministry of Machine Construction, it was arranged that the RFT telecommunications engineering plants would be taken over by the Post and Telecommunications Ministry on 1 January 1955.

25X1

1. Comment: HV Fernmeldewesen of the Ministerium fuer Post und Fernmeldetechnik.
2. Comment: A typewritten copy of the 1954 investment plan of the Main Administration for Telecommunications appears on page 2.
